Experience....This group has exploded!!The blend of talent and musicianship has gone thru the roof. Patrons and club owners have flipped over the sound produced by these seasoned professionals. Members of this band have opened for major acts i.e. BAD COMPANY, MOLLY HATCHET, TEN YEARS AFTER, JOHNNY & EDGAR WINTER just to name a few. The band consists of former members of such acts as: Dale Coleman & Expressway, Great Train Robbery, Train Gang & Walter J. & The Texas Flood. Tell us something about the band

Jupiter on drums. Jupiter played with Great Train Robbery, Mascaraid & other top local musicians. He is a great addition to the band & we are really happy to have him with us. Jethro Tull played like the record. Brian burns it up with the flute, than he straps on his sax and really blows your mind. Former lead guitarist from Great Train Robbery,Roy . This guy can really play a guitar. Probably, one of the best guitarist in the area by far. This guy can play behind his back better than most play up front. Mario belts out his Zeppelin,Jupiter pounds out heavy duty drum rolls and Frank holds down the bottom with his unique style and bass guitar. This combination is incredible. This group plays songs, that not too many others would even attempt. Club owners and patrons have fallen in love with this group. This band has been asked back at just about every venue where it has performed.

I can promise you will not be disappointed when you come out to hear this group. Roy & Brian also bring new music to the group, offering more versatility and dimension. Music that can only be attempted by top musicians like Jettstream. Come on out and check these guys out. All I can say is WOW!!!!

WE ALSO HAVE MEMBERSHIP SIGN UP NOW. WE KEEP YOU INFORMED ON WHERE THE BAND IS PLAYING AND OFFER DISCOUNTS AT CERTAIN CLUBS IN THE AREA. E-MAIL US FOR SIGN UP DETAILS OR YOU CAN SIGN UP AT ONE OF OUR GIGS.

Where have you performed?
